

Hello Dancers,

It may be that this is your first time at Newquay Jive or you may have been coming for years - it soon becomes apparent that everyone is treated the same and everyone is welcome. We like to think we create an atmosphere in which people can forget their inhibitions and just have fun. Experienced dancer or not, do come along to our dances and soak up the atmosphere at the BBQ Dance Weekend!

### Info about the BBQ Dance Weekend

For those who have not been before, the event is held in Murphy's back garden with spectacular views overlooking Falmouth Harbour and room for camping on the lawn or motor homes in the field. The dancing is held in our new fabulous Marquee and no matter what the English summer throws at us we can all get under cover!! Hopefully the sun will shine so we can enjoy games on the lawn, dance lessons with our fantastic teachers, and great music from some of the very best DJ's on the National Jive circuit.

We continue to keep the price of our tickets to a minimum thanks to all those who offer to help during the run up to the event in getting the dance floor laid and the marquee assembled. With Murphy having to undergo his fifth knee replacement only two weeks before the BBQ, he will be limited to "supervising" from the side. Anyone who sees him trying to do anything is authorised to give him a thick ear!!

We will be building the dance floor on the 2<sup>nd</sup> - 3<sup>rd</sup> June and then assembling the Marquee the following weekend, 9<sup>th</sup> - 10<sup>th</sup> June. The flooring probably needs to be done by big husky men, (no offence to the fair sex) although ladies are welcome as well of course to help Pam cater for the workers!

For those who have attended over the last 18 years, you know the BBQ is the best event of the year. All of the effort that goes into it is worthwhile when we see around two hundred people having a great time relaxing in deck chairs, enjoying a drink or two, and mingling with friends - it's that kind of weekend.

You can choose to stay overnight for £25 and enjoy our BIG cooked breakfast on **SUNDAY** morning, or just book a day ticket which covers all the workshops, food, tea/coffee and dancing from 12 noon right up to 1 am for just £20 !!

We usually manage to pressgang a number of people on the Sunday morning to dismantle the Marquee and store it away until next year, in what takes two weeks to set up, miraculously gets put away in just over two hours!! After that, some people will stay on, stroll down to Flushing village or opt for a scenic tour around Falmouth with the "Falmouth Sea Shanty Festival" happening that weekend too, or just chill out and help finish up all the fabulous food and Jill's Cakes (if there are any left).

Here's looking forward to a great summer of sun, fun and frivolity !!

Murphy, Pam & Jill
