Hello Dancers,

What a fabulous start to 2018 with lots of new dancers strutting their stuff and taking advantage of our introductory books of tickets. The continued support of our regulars making your experience so enjoyable is amazing so thank you all, and now you know how much fun it is, why not bring your friends along.

Darren's London Marathon

Since before Christmas we have, with your support, been fundraising for Darren who was running in the London Marathon to raise funds for "RP Fighting Blindness" (Retinitis Pigmentosa) which our friend and DJ Shaun Legg suffers from. The amount raised, including a donation from Newquay Jive, amounted to £650. Unfortunately, during training Darren has sustained a fracture below his knee and has now had to pull out of the Marathon. Fortunately, he has been able to defer his place to next year so all funds raised will go to the Charity and count towards his fundraising next year, thank you all again for your support, and get well soon Darren!

Dance Workshops

Part of our fundraising was a Ladies Styling workshop which everyone really enjoyed and people are asking for another one. If anyone is interested in any style of workshop, please let us know and we'll look into arranging this.

Indian Queens Working Mens Club

We feel very lucky to have the use of this venue which we believe has the best dance floor in Cornwall. We have been asked by the Committee to help support the running costs of the club by asking all those of you who come regularly to become members of the club itself. It is a nominal amount. We have also been asked to remind everyone that, as a licensed premises, your own drinks should **not** be brought in. Water is provided at the bar free but it is courteous to buy some drinks, even if it is just squash to help fund the bar service. Thank you.

BBQ Dance Weekender – 21st to 24th June 2018

The annual Summer BBQ – the highlight of our year – WHOOP WHOOP! This event is attended by up to 200 dancers from all over the country, held in Murphy's back garden overlooking Falmouth Harbour. We have guest dance teachers for the whole weekend, Thursday class, Friday Dance, and, on the Saturday, afternoon workshops, games, music, food and lots of fun, right up to 1 am – bookings are flooding in now with the option to camp and stay over for Sunday morning breakfast, so don't miss out.

Dance Tip

"Dance like no-one is watching". Dancing is for you to enjoy regardless of whether you are new or experienced. Just relax, keep moving and respond with your partner, you will all develop in your own time.
