

Dear Dancers,

The Christmas and New Year season is now well behind us, and, as we look forward to Spring, we appreciate that, due to the recession, finances for everyone are stretched and hope that your weekly visit to Newquay Jive puts a smile back on your face and a spring in your step! Thank you all for your continued support and don't forget you can make a saving of £5 when you buy a book of 5 tickets for £20 which you can use on a class night at Indian Queens or at Wadebridge Town Hall.

So what's in store for us in 2010? We have a dance every month for you (including you new dancers) to come and strut your stuff and meet up with friends and, quite often, dancers down on holiday. We have various DJ's lined up to ring the changes throughout the year and, as we always say, everyone has their own preference regarding music so we always strive to play a good cross section to suit all tastes, and if you have a particular track you'd like us to play, please come and ask.

We have again been invited to appear at the Royal Cornwall Show in June, as well as Pendennis Castle on 3rd & 4th July, and we will be asking for volunteers to come along to dance with us and help spread the word at how much fun jive is – especially at Newquay Jive!

Many of you will be pleased to know that the Warmwell Dance Weekend will be running again from 26th – 29th November under new management. We realise that there were problems last year but we have been promised by the new team, which includes Nicky & Jim, that it will be better than ever with fewer live bands and dancing later into the night. If anyone is interested in trying out a dance weekend, please ask us and we will aim you in the right direction as there are many held during the year at different venues throughout the UK, including holidays abroad. These events are a great experience and will give you an insight as to the different styles within modern jive.

Following on from that, we would love to arrange Workshops to help you develop and enjoy your dancing with more confidence, and these can vary from Beginners and Intermediate Workshops, to style, musicality, and dips and drops. The workshops are designed for smaller groups so you get more individual tuition. Please let us know which workshops you would be interested in and we will run them, subject to demand.

Finally, please let us know if you want to be put on our e-mailing list or let us have your mobile number to text so we can keep you right up to date with events. You may also like to join our Newquay Jive Group on Facebook where you may be surprised to find photos, video clips, etc. of yourself, or you may want to add some of your own photos taken at one of our events!

Jill, Pam & Murphy
