Dear Dancers and Friends,

Winter has been fairly kind this year but the bad days have not stopped you coming for your weekly fix of exercise by jiving the night away with us, so, as always thank you all for your support. Our Xmas and New Year dances went off with a bang with great support for our fancy dress themes and we've had great feedback for all our DJs, Derek, Ian and Nick, who all aim to ring the changes with their range of music to keep everyone happy, so don't forget if you have a request please ask them and that goes for class nights as well, and if we haven't got it, we will get it for another time!

Talking of dances, if you check the Dates & Events page you will see we try to keep our dances to one a month but the April one lands at Easter so we have two dances in March, one early and the other right at the end of March.

Our Monday Special classes are still proving successful when we tackle different elements to help you improve your dancing and style at your own pace. It's a smaller class so ideal for beginners who can benefit from more individual assistance and also for the experienced dancer who can gain from the "workshop" style intermediate session, so come along and try it out. We had hoped to gain a few more Mondays during the year but this hasn't come to fruition so make sure you have a copy of all the dates to take full advantage when there is a class on.

There's lots to do this year by way of Dance Weekenders, not forgetting our BIG SUMMER BBQ Dance Weekender at Murphy's in Falmouth on 2/3/4/5th August which is hugely popular with dancers from all over the country who love our hospitality – so mark it in your diaries and ask us for a booking form as it will sell out and we want as many of our local dancers there as possible.

We also recommend the MJ ROC Warmwell Weekenders, one in April and one in November, which are great if you are new or experienced, providing a great variety of classes and, as always, "lots of fun". Many of us have already booked chalets and we can usually help find spaces for anyone booking alone.

Newquay Jive has been around for almost 13 years now and it's still our passion. We do it because we love helping people, not only to learn to dance, but discover a great way to socialise, keep fit and have fun! It's lovely to see our past dancers returning from time to time and the constant wave of new people discovering a skill they didn't realise they had – long may it continue!

Jill, Pam & Murphy
